RETURN POLICY

Here at gomerch.com we want you to be stoked 100% of the time, but understand that sometimes problems will happen. If you're simply not happy with your order, please return the item(s) for a refund. After your items have been returned and credited back to your account, you can place a new order for different merchandise.

All returns must be made within 30 days of placing your order. We do not accept returns or exchanges after the 30 day period. All returned items must be in the original condition you received them in. We do NOT accept back washed or worn items. If a washed or worn item is returned, the return will be refused and sent back to you and you will be notified.

If we sent you the wrong item by mistake, dont worry we will get you the correct item. Please fill out the return form and indicate to us that we made a mistake and when we receive your package back, we will credit you back for shipping the item back to us and will get your correct order out right away.
Indicate what you are returning and why. In order to process your return, please include your name, email address and order number along with the items that you are returning. You will be responsible for the shipping charges associated with sending the return back to us unless we sent you the wrong item. When your return is processed, you will be reimbursed for the item(s) returned less the shipping costs. The original shipping cost is non-refundable.
If you have any other questions about returns please feel free to email us.
